WHAT THEY SAY....

Mary has worked with the team individually on specific key career management skills, with notable improvement to drive strength, decision making skills, time management orientation, sales orientation and commitment ethic.. Confidence, self esteem and certainly communication skills are a big part of the results we are seeing. Each team member has gained greater clarity around their career capabilities and vision for the future of the organisation and their part in it.

David Hay, Managing Director, FBT Transwest Pty Ltd

I was able to see and feel how and why I had handled situations ranging from dealing with Boards to managing staff. Working with Richard has been a fantastic experience and I heartily recommend him.
