## Just one friend.

Social Media is great. It is one of the major leaps forward in personal and mass communication of our time, and provides not only a way to connect people, but also a channel for sharing information – both vital and trivial.

But when it comes to your career or recruitment needs, you only need one friend. We've already got the networks, a strong profile and all the right contacts.

So visit Seldon Gill today and we'll make sure you stay connected.
